15th Oncologic Imaging: A Multidisciplinary Approach
September 13-15, 2019

For Radiologists, Oncologists, & Surgeons

Paul M. Silverman, MD
Founder and Course Director
Asheville, NC

Faculty from the Nation’s Leading Cancer Centers

Improve your diagnostic acumen related to oncologic imaging and assess the role of current state-of-the-art imaging modalities.

Provided by

with support from
CONFERENCE FACULTY

Paul M. Silverman, MD
Professor of Radiology, ret.
Gerald D. Dodd Jr. Distinguished Chair
Division of Diagnostic Imaging
MD Anderson Cancer Center

Daniel A. Baracos, MD
Associate Professor
Urologic Surgery
Vanderbilt University
Ingram Cancer Center

Brett W. Carter, MD
Associate Professor
Department of Diagnostic Radiology
Division of Diagnostic Imaging
MD Anderson Cancer Center

Thomas E. Clancy, MD
Associate Chief, Division of Surgical Oncology
Brigham and Women’s Hospital
Co-Director, Pancreatic and Biliary Tumor Center
Dana-Farber/Brigham and Women’s Cancer Center

Richard M. Gore, MD, FACR
Professor of Radiology
The University of Chicago Pritzker School of Medicine
Chief, Gastrointestinal Radiology
North Shore University Health System

Joseph Mammarappallil, MD, PhD
Assistant Professor
Cardiothoracic Division
Department of Radiology
Duke University Medical Center

Majid T. Maybody, MD
Interventional Radiologist
Director
Interventional Radiology Training Program
Memorial Sloan Kettering Cancer Center

Reza Mehran, MDCM, MSc, CD, FRCSC, FACS
Professor
Department of Thoracic and Cardiovascular Surgery
Division of Surgery
MD Anderson Cancer Center

Kristin K. Porter, MD, PhD
Assistant Professor
Abdominal Imaging Section
Department of Radiology
UAB School of Medicine

Eric P. Tamm, MD
Professor
Department of Diagnostic Radiology
Division of Diagnostic Imaging
MD Anderson Cancer Center

Terence Wong, MD, PhD
Professor of Radiology
Chief
Nuclear Medicine Division
Duke University Medical Center

Atif Zaheer, MD
Associate Professor
Radiology and Radiological Science Associate Program Director
Diagnostic Radiology Residency
Johns Hopkins Medicine

LOCAL FACULTY

Paul M. Ahearne, MD, FACS
Surgical Oncologist, Regional Surgical Specialists
Medical Director of Surgical Oncology
Mission Hospital

Trevor Austin, MD
Hematologist & Medical Oncologist
Cancer Care of WNC

Mehul Bhakta, MD
Co-director of Abdominal Imaging
Asheville Radiology Associates

Oliver A. R. Binns, MD
Co-Director, Thoracic Oncology Program
Mission Hospitals
Asheville Heart

Daniel C. Brown, MD
Vascular & Interventional Radiologist
Asheville Radiology Associates

Erik F. Kuehn, MD
Radiation Oncologist
Mountain Radiation Oncology

W. Mark McCollough, MD
Radiation Oncologist
Mountain Radiation Oncology

SUNDAY, SEPTEMBER 15TH

7:30–8:00  | Registration (breakfast provided)

**Complications in the Oncologic Patient: Role of Interventional Radiologist**

*Moderator: Daniel C. Brown, MD*

8:00–8:30  | Treating Complications in the Oncologic Patient:
Current Role of the Interventionalist
*Majid Maybody, MD*

8:30–9:00  | Drainage and Follow-up of Abscesses: The Interventionalist’s Role
*Majid Maybody, MD*

9:00–9:15  | Q & A: Meet the Professors
*Majid Maybody, MD | Daniel C. Brown, MD*

**Complications in the Oncologic Patient: Making the Diagnosis**

*Moderator: Richard M. Gore, MD*

9:15–9:45  | Pulmonary Infections in the Oncologic Patient
*Brett W. Carter, MD*

9:45–10:15 | Pulmonary Embolism: Technique, Diagnosis, and Pitfalls
*Brett W. Carter, MD*

10:15–10:30 | Break (refreshments provided)

10:30–11:00 | Infections: Colitis, Diverticulitis, Cholecystitis and Other “Itises”
in the Immuno-Compromised Patient
*Richard M. Gore, MD*

11:00–11:30 | Complications of Chemo- and Radiation Therapy:
Importance for the Oncologic Imager
*Joseph Mammarappallil, MD, PhD*

11:30–12:00 | Abdominal Emergencies and Vascular Abdominal Disease
in the Oncologic Patient
*Richard M. Gore, MD*

12:00–12:15 | Q & A: Meet the Professors
*Brett W. Carter, MD | Joseph Mammarappallil, MD, PhD | Richard M. Gore, MD*

**Multidisciplinary Oncology in Your Practice: Take Home Messages**

*Moderator: Paul M. Silverman, MD*

12:15–1:00  | Multidisciplinary Approach to Cancer:
Translating This to Your Community Practice
*Oliver A. R. Binns, MD | Trevor Austin, MD | W. Mark McCollough, MD | Daniel C. Brown, MD | Paul M. Ahearne, MD | Eric F. Kuehn, MD | Paul M. Silverman, MD | Mehul Bhakta, MD*

1:00  | Evaluation and Adjourn
15th Oncologic Imaging: A Multidisciplinary Approach

Our primary goal is to educate radiologists, medical oncologists, and surgeons to improve their diagnostic acumen related to oncologic imaging and the role of current state-of-the-art imaging modalities, including: PET/CT, MDCT, and MRI. Gaps of knowledge may exist since some of the technology is relatively new and other technology continues to evolve. Our oncologic radiologists can provide a greater experience regarding the sensitivity, specificity, and accuracy of PET/CT, MDCT, and MRI. Attendees will be made aware of, and knowledgeable about, potential diagnostic pitfalls and how to avoid them.

The multidisciplinary approach, unique to this course, will allow registrants to not only appreciate imaging from the radiologist’s standpoint, but also to integrate medical information presented by surgeons, medical oncologists, and radiation oncologists—key information for optimal decision-making by the referring clinician. The result of this is to ultimately impact and produce best patient outcomes. The structure of the course, including panel discussions, allows registrants to have direct access to world-recognized experts in the field of cancer.

Featured Topics: Technology Update—MDCT & PET/CT, Complications and their Interventional Management, Esophageal, Liver, Biliary, Pancreas, Renal, and Prostate Cancers, and Practical “Tumor Board” sessions.

CONFERENCE LOCATION
MAHEC Mary C. Nesbitt Biltmore Campus
121 Hendersonville Road, Asheville, NC 28803

FRIDAY SEPTEMBER 13, 2019
Registration: 11:30 am–12:00 pm
Program: 12:00 pm–5:15 pm

SATURDAY SEPTEMBER 14, 2019
Registration: 7:30 am–8:00 am
Program: 8:00 am–6:15 pm

SUNDAY SEPTEMBER 15, 2019
Registration: 7:30 am–8:00 am
Program: 8:00 am–1:00 pm

EARLY REGISTRATION FEES AVAILABLE THROUGH SEPTEMBER 6, 2019

AUDBIENCE
• Radiologists
• Medical Oncologists
• Surgeons

MEDICAL COURSE DIRECTOR
Paul M. Silverman, MD

FULL CONFERENCE
Program Fee
ARA and Mission Health Physicians $650.00 per person
Other Healthcare Providers $399.00 per person

TWO-DAY RATE (Fri/Sat or Sat/Sun)
Program Fee
ARA and Mission Health Physicians $525.00 per person
Other Healthcare Providers $299.00 per person

DESCRIPTION
Our primary goal is to educate radiologists, medical oncologists, and surgeons to improve their diagnostic acumen related to oncologic imaging and the role of current state-of-the-art imaging modalities, including: PET/CT, MDCT, and MRI. Gaps of knowledge may exist since some of the technology is relatively new and other technology continues to evolve. Our oncologic radiologists can provide a greater experience regarding the sensitivity, specificity, and accuracy of PET/CT, MDCT, and MRI. Attendees will be made aware of, and knowledgeable about, potential diagnostic pitfalls and how to avoid them.

The multidisciplinary approach, unique to this course, will allow registrants to not only appreciate imaging from the radiologist’s standpoint, but also to integrate medical information presented by surgeons, medical oncologists, and radiation oncologists—key information for optimal decision-making by the referring clinician. The result of this is to ultimately impact and produce best patient outcomes. The structure of the course, including panel discussions, allows registrants to have direct access to world-recognized experts in the field of cancer.

Featured Topics: Technology Update—MDCT & PET/CT, Complications and their Interventional Management, Esophageal, Liver, Biliary, Pancreas, Renal, and Prostate Cancers, and Practical “Tumor Board” sessions.
OBJECTIVES

Upon completion of this conference, participants will be able to:

- Implement new techniques into clinical protocols to improve the quality of imaging results and enhance overall patient care (knowledge, competence, performance, patient outcomes)
- Provide and review data on the impact of newer imaging technologies that will improve confidence in diagnosing imaging findings, thus improving diagnosis and avoiding pitfalls (knowledge, competence, performance, patient outcomes)
- Identify clinical needs for imaging studies and determine which imaging studies provide the best chance for most accurate diagnosis and the important imaging features for accurate cancer staging (knowledge, competence, performance, patient outcomes)
- Integrate features of imaging studies which are most important and will change staging or treatment in terms of surgery or chemotherapy (knowledge, competence, performance, patient outcomes)

REGISTRATION

Early registration deadline: September 6, 2019

All conference registration fees include administrative costs, educational materials, a light breakfast, and lunch. If your registration is received after the deadline, the total fee will be the registration fee + $50.00.

MAHEC has a pay-up-front policy for all CE programs. The only exception is for pre-approved programs where an individual payment plan is appropriate. Registrations received without accompanying payment will not be processed and participants who have not paid the course fee will not be admitted into the program.

Unless otherwise noted in course materials, the following cancellation policy applies to all continuing education programs:

- Cancellations must be in writing (via fax, email, or mail)
- Cancellations received more than 2 weeks prior to the event will receive 100% refund
- Cancellations received between two weeks and two full business days prior to the first day of the event are refunded at 70% of the registration fee subject to a minimum $25 cancellation fee
- No refunds or credits will be given for cancellations received less than two full business days prior to the event
- No vouchers will be issued in lieu of a refund
- Transfers/substitute(s) are welcome (please notify us in advance of the program)

CONTINUING MEDICAL EDUCATION

ACREDIT

Accreditation: Mountain Area Health Education Center (MAHEC) is accredited by the North Carolina Medical Society (NCMS) to provide continuing medical education for physicians.

Credit Designation: MAHEC designates this live activity for a maximum of 18.75 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity. (Up to 5 hours on Day 1, up to 8.75 hours on Day 2, and up to 5 hours on Day 3)

Disclosure Statement: MAHEC adheres to the ACCME Standards regarding industry support to continuing medical education. Disclosure of faculty and commercial support relationships, if any, will be made known at the time of the activity.

CEUs: Mountain Area Health Education Center (MAHEC) designates this live continuing education activity as meeting the criteria for 1.9 CEUs as established by the National Task Force on the Continuing Education Unit. (Up to 0.5 hours on Day 1, up to 0.9 hours on Day 2, and up to 0.5 hours on Day 3)

Contact Hours: Mountain Area Health Education Center (MAHEC) designates this live continuing education activity as meeting the criteria for 18.75 contact hours. (Up to 5 hours on Day 1, up to 8.75 hours on Day 2, and up to 5 hours on Day 3)

DIRECTIONS

MAHEC Mary C. Nesbitt Biltmore Campus
121 Hendersonville Road, Asheville, NC 28803

From I-40 E: Take Exit 50 and turn left onto Hendersonville Road.
From I-40 W: Take Exit 50B and merge onto Hendersonville Road.

At the first light, turn left into the DoubleTree Hotel complex. Turn left (away from the hotel). You will see a steep driveway on your right. Turn right and go up that driveway to the MAHEC Biltmore Campus.

From 19-23 (I-26): Take 240 East to Exit 5B (Charlotte Street). Exit right onto Charlotte Street. At the 4th light, make a left onto Biltmore Avenue. Proceed through 8 traffic lights. At the 9th light, turn right into the DoubleTree Hotel complex. Turn left (away from the hotel). You will see a steep driveway on your right. Turn right up that driveway to the MAHEC Biltmore Campus.

ACCOMMODATIONS

Hampton Inn & Suites Asheville Biltmore Village
117 Hendersonville Road, Asheville, NC 28803

A block of rooms has been reserved for September 12, 2019–September 15, 2019. The special room rate of $129.00 per night will be available until August 21, 2019 or until the group block is sold-out, whichever comes first. Please call 828-277-1800 and request the “Oncological Imaging Conference” group rate to make your reservation over the phone, or click here to reserve online.

DoubleTree by Hilton Hotel Asheville–Biltmore
115 Hendersonville Road, Asheville, NC 28803

A block of rooms has been reserved for September 12, 2019–September 15, 2019. The special room rate of $135.00 per night will be available until August 21, 2019 or until the group block is sold-out, whichever comes first. Please call 828-274-1800 and request the “Oncological Imaging Conference” group rate to make your reservation over the phone, or click here to reserve online.
Please remove my name from the MAHEC mailing list.

Program announcements will be sent to your email unless you opt out from receiving MAHEC emails. We never share our mailing lists.

☐ Please remove my name from the MAHEC mailing list.

MEAL PREFERENCE  ☐ Vegetarian  ☐ Gluten-free  ☐ Vegan

Full payment must accompany all submitted registrations unless a payment plan has been approved in advance. Registrations received without accompanying payment will not be processed.

☐ Check is enclosed  ☐ Credit card information provided

☐ Visa  ☐ MasterCard  ☐ Discover Card  ☐ American Express
