Program Chair

Harry P. Erba, MD, PhD
Duke Cancer Institute

OncLive® Institutional Perspectives in Cancer (IPC) are short meetings designed to educate oncologists and HCPs on the clinical benefits associated with the new science driving updates in cancer management. Our renowned faculty focus on the most relevant cancer topics to ultimately improve patient care.

Health care providers, dinner is on us! Preregister, attend, and complete our post-event survey for a \$50 Grubhub® credit.

Preregister, attend, and stay to the end to be eligible to win a \$150 gift card.
