Joint Accreditation Statement
In support of improving patient care, the Duke University Health System Department of Clinical Education and Professional Development is accredited by the American Nurses Credentialing Center (ANCC), the Accreditation Council for Pharmacy Education (ACPE), and the Accreditation Council for Continuing Medical Education (ACCME), to provide continuing education for the health care team.

Credit Statement
Physicians: Duke University Health System Department of Clinical Education and Professional Development designates this live activity for a maximum of 6.75 AMA PRA Category 1 Credit(s)™. Physicians should claim only credit commensurate with the extent of their participation in the activity.

Nursing: Duke University Health System Department of Clinical Education and Professional Development designates this activity for up to 6.75 contact hours for nurses. Nurses should claim only credit commensurate with the extent of their participation in this activity.

Pharmacists: Duke University Health System Department of Clinical Education and Professional Development designates this activity for up to 6.75 ACPE credit hours. Universal Activity Numbers: JA0000655-0000-20-175-L01-P

Special Needs Statement
The Duke Cancer Network is committed to making its activities accessible to all individuals. If you are in need of an accommodation, please do not hesitate to call and/or submit a description of your needs in writing in order to receive service.

Duke Cardio-Oncology Conference
Saturday February 22, 2020
8:00 a.m. – 4:45 p.m.
Washington Duke Inn
Durham, NC
Registration: https://tinyurl.com/y5kpx7hf

Presented by the Duke Cancer Network and Duke Heart Network in collaboration with the Duke Cancer Institute and Duke Heart
With leading experts in the field, the Duke Cancer Network has once again partnered with the Duke Cancer Institute and Duke Heart Center to provide a stimulating education activity focused exclusively on cardi-oncology: an intersection between cardiology and oncology. Using case studies and interactive debates, the program will highlight critical moments in prevention, screening, assessment, management, and follow-up of cancer patients with cardiovascular risk and disease. This program will prepare participants to utilize practical resources to optimize patient care throughout the cancer continuum.

Target Audience:
Cardiologists, primary care providers, medical oncologists, radiation oncologists, surgical oncologists, surgeons, nurses, pharmacists, advance practice providers and all those who contribute to the care of oncology and cardiology patients.

Learning Outcomes:
At the end of this educational activity, participants will be able to:
- Assess patient risk for developing cardiovascular dysfunction in oncology.
- Discuss current guidelines for managing cardiovascular dysfunction in oncology patients.
- Describe techniques to prevent cardio-toxicity in patients before, during, and after cancer.
- Discuss the future of the cardiovascular specialty in cancer care.

The Washington Duke Inn and Golf Club
Saturday, February 22, 2020 • 8:00 am – 4:45 pm

Service is limited; please register early.

Agenda

7:15-7:55 a.m. Registration and Breakfast

7:55-8:00 a.m. Opening Remarks

8:00-8:30 a.m. My Story: A Patient’s Perspective

8:30-9:00 a.m. Case Study: Common Pitfalls

Fawaz Alenezi, MD, MS, FACC

9:00-9:30 a.m. Assessing CV Risk in Oncology Patients Prior to Systemic Therapy and to Cancer Surgery - Current Tools

Brian Jensen, MD

9:30-10:15 a.m. Debate: Should All Patients Undergoing Potentially Cardiotoxic Cancer Therapy Have Routine Cardiac Imaging?

Yigal Klein, MD vs. Michel Khouri, MD

Break 10:15-10:30 a.m.

Session 2: Cardiovascular Concerns During Cancer Therapy

10:30-11:00 a.m. Cardiotoxicity of Modern Cancer Therapies

Michael Harrison, MD

11:00-11:30 a.m. Cardiovascular Risk Assessment and Implications for Prostate Cancer Treatment

Matthew Smith, MD, PhD

11:30-12:00 p.m. Current Guidelines: Practical Advice for the Clinician

Fawaz Alenezi, MD, MS

Lunch 12:00-1:00 p.m.

Session 3: Prevention of Cardiovascular Toxicity

1:00-1:30 p.m. Radiation Techniques to Prevent Cardiotoxicity

Rachel Blitzblau, MD, PhD

1:30-2:00 p.m. Prevention of Cardiotoxicity in Cancer Patients Receiving Systemic Therapy

Gretchen Kimmick, MD, MS

2:00-2:30 p.m. Exercise and Cancer Therapy: Protecting the Heart

Jessica Scott, PhD

Break 2:30-2:45 p.m.

Session 4: Survivorship

2:45-3:30 p.m. Coordinating Care After Cancer Therapy

Kevin Coffringer, MD

Session 5: The Future of Cardi-oncology

3:30-4:00 p.m. The Current State of NIH-funded Research in Cardio-Oncology

Eileen Dimond, RN, MS

4:00-4:15 p.m. Wrap up of Case Study

Fawaz Alenezi, MD, MS

4:15-4:30 p.m. Duke Cardio-Oncology Program

Chiara Mellioli, MD, MS, FACC

4:30-4:45 p.m. Closing Remarks

Duke Faculty
Fawaz Alenezi, MD, MS
Advanced Cardiovascular Multimodality Imaging Fellow
Rachel Blitzblau, MD, PhD
Assistant Professor of Medicine
Michael Harrison, MD
Assistant Professor of Medicine
Michal Khouri, MD
Assistant Professor of Medicine
Gretchen Kimmick, MD, MS
Professor of Medicine, Duke Cancer Institute
Igor Klein, MD
Assistant Professor of Medicine
Kevin Coffringer, MD
Professor of Medicine, Professor in the Department of Community and Family Medicine

Contact/ Questions
For questions, special needs, or sponsorship, please contact:
Beth Tanner, Duke Cancer Network
3100 Tower Blvd, Ste. 600, Durham, NC 27707
919-668-1869 or beth.tanner@duke.edu

Activity Course Directors
Susan Dent, MD, FRCPC
Professor of Medicine, Department of Medicine, Duke Cancer Institute
Chiara Mellioli, MD, MS, FACC
Associate Professor of Medicine, Department of Cardiology, Duke Clinical Research Institute
Linda Sutton, MD
Associate Professor of Medicine, Medical Director, Duke Cancer Network; Associate Chief Medical Officer, Duke Network Sentinel

Guest Faculty
Eileen Dimond, RN, MS
Program Director, Breast and Gynecologic Cancer Research Group, NIH/National Cancer Institute Division of Cancer Prevention
Brian Jensen, MD
Assistant Professor of Medicine and Pharmacology, UNC School of Medicine
Jeffrey Reiner, MD
Assistant Attending Physician, Exercise Oncology Service, Memorial Sloan Kettering Cancer Center
Matthew Smith, MD, PhD
Professor of Medicine, Harvard Medical School; Director, Genitourinary Maligancies Program, Massachusetts General Hospital Cancer Center
